

Autodesk Design & Creation Suites

Take it to the next level

Save up to 20%* on all upgrade paths when you move to an Autodesk Design or Creation Suite

The software you rely on plus the power to do more

Built on the software you already know and trust, Autodesk Suites provide more power, flexibility, and features than ever before. Take your work to an exciting next level. Upgrade to the latest Autodesk Design or Creation Suite by July 25, 2013 and save up to 20%*.

Plus, low financing rates are available for a limited time** - so act now!

Find out more at www.autodesk.com/levelup

Add Autodesk Subscription to use the power of the cloud, keep your Autodesk software current, and gain a competitive advantage.

AutoCAD® Design Suite

- · Use intuitive sketching, annotation, and illustration tools
- Create real-time 3D presentations and renderings
- · Benefit from powerful raster editing and raster-to-vector conversion

Autodesk® Building Design Suite

- Create better buildings with intelligent 3D model-based design
- Use integrated simulation and analysis to help inform design and construction decisions
- Produce compelling visualizations to market ideas more successfully

Autodesk® Entertainment Creation

- Easily create realistic rigid and soft body dynamics, and hair, fur, cloth, fluids, and particle simulations
- Benefit from enhanced single-step interoperability to share data
- · Animate in real time with a broad range of specialized tools for keyframe, procedural, and scripted animation

Autodesk® Factory Design Suite

- Design, optimize, and present the most efficient factory layout before installation
- · Improve your design efficiency, accuracy, and communication with interoperable layout workflows and factory-specific content
- Meet compressed project schedules
- Optimize your factory layout process

Autodesk® Infrastructure Design Suite

- Organize and classify your data using built-in industry data models
- Visualize your ideas with cinematic rendering and 3D animation capabilities
- Benefit from powerful raster-to-vector conversion and enhancement tools

Autodesk® Plant Design Suite

- Design, model and review plant projects more effectively
- Innovate ahead of the competition and communicate with greater clarity
- Keep projects on schedule and within budget

Autodesk® Product Design Suite

- · Visualize, simulate, and collaborate with intuitive 3D product design software tools
- Design better products, reduce development costs, and get to market faster with Digital Prototyping capabilities of Product Design
- · Save time with collaborative data management

Offer is available through participating resellers from May 7 through July 25, 2013, may not be combined with other rebates or promotions, with the exception of the Autodesk Q2 financing promotion, and is void where prohibited or restricted by law. Commercial customers in the 50 United States and Canada, including U.S. Government (Federal/State/Local) and Canadian Federal Government accounts are eligible to participate. Major Accounts and Educational, Student, Faculty and Personal Learning Licenses are not eligible to participate in this promotion. Educational licenses including new, upgrades and migrations, and education-to-commercial transfers do not qualify. This promotion is not valid for product licenses purchased through the Autodesk Employee Purchase Program.

Prices may vary by country. Offer subject to reseller participation. All Autodesk Authorized Resellers are independent resellers, are free to set their own prices and may participate in promotions at their discretion. Reseller

**The Autodesk Q2 financing promotion, offering 2.5% financing for 24 month and 3.5% financing for 36 month terms is valid from May 7, 2013 through July 25, 2013, or until \$8 million in funding is allocated (whichever occurs first), as determined by Autodesk. This promotion is valid in the 50 United States and Canada only; is subject to certain restrictions; is subject to approval by one of the identified financing partners and to customer's acceptance of and compliance with the financing partner's terms and conditions; is void where prohibited or restricted by law. Only commercial customers, including Major Accounts, U.S. Government (Federal/State/Local) and Canadian Federal Government accounts purchasing via DLT Solutions or direct with Autodesk may participate. Education customers are not eligible to participate in this promotion. Educational licenses and education to commercial transfers do not qualify. This promotion is not valid for product licenses purchased through the Autodesk Employee Purchase Program. Autodesk Consulting Services, partner training and services, and/or other related purchases are not eligible. Participants must be legal U.S. or Canadian residents, 18 years of age or older. Minimum and maximum transaction sizes for eligibility are \$10,000 USD and \$150,000 USD respectively. Only Autodesk® software licenses, creative finishing systems and Subscription purchases are eligible for this offer. Autodesk Subscription may not exceed 40% of the total amount financed. Autodesk Subscription is not required to receive promotional financing. Contact your participating Reseller for more information.

AUTODESK RESERVES THE RIGHT TO CANCEL, SUSPEND, OR MODIFY PART OF OR THIS ENTIRE PROMOTION AT ANY TIME WITHOUT NOTICE, FOR ANY REASON IN ITS SOLE DISCRETION. PRICES FOR AUTODESK SOFTWARE ARE SUBJECT TO CHANGE.

This Autodesk promotion offers discounts of up to 20% off the Autodesk Suggested Retail Price (SRP) on eligible upgrades to Autodesk 2014 Design and Creation Suites when purchased with Subscription (up to 10% off SRP without Subscription) and 15% off SRP on eligible upgrades to Autodesk® 3ds Max® 2014, Autodesk® 3ds Max® Design 2014, Autodesk® Maya® 2014, and Autodesk® Softimage® 2014 standalone products, when purchased with Subscription (up to 5% off SRP without Subscription). Eligible upgrades include upgrades from 2008-2014 releases to a current release of an Autodesk Design or Creation Suite, Autodesk 3ds Max, Autodesk 3ds Max Design, Autodesk Maya, and Autodesk Softimage, as applicable.
